SHOWCASE
SALE**

**1:00 PM
SATURDAY
NOVEMBER 17
EDT**

62 Lots

Simmental, Simbrah, SimAngus & Angus

**Select Cattle Enterprises
Sale Facility Near
Rome, Georgia**

Comments from the Sale Manager

On behalf of the consignors and sale staff for the **15th Annual Southern Showcase Sale**, it is my pleasure to welcome you to **Rome, Georgia** on **August 19-20, 2011**. Each consignment in this joint production sale represents some of the top genetics available from these programs. Offerings will be made with almost every segment of the Simmental industry in mind. Select, high performance Angus and Simbrah genetics are also included in the sale again this year.

Are you searching for a donor female that can produce great genetics and large dollars for your farm? **We have got her in this offering**. Need a bred or a cow calf pair that can be purchased for a reasonable price and then go right into the heart of your herd? **Look no further because they will be here**. Perhaps you need a show heifer prospect for you and your kids to work with. Halter broken and ready to go – **we have the heifers to fit your bill**. Or maybe you have figured out that the best way for you to sample someone else's best genetics is through frozen embryos and pregnancies. **We have just the ticket for you**. Throughout the sale there are truly **unlimited opportunities** for you as breeders to add to the top end of your herd good, solid, predictable, money making genetics.

We are very fortunate to be experiencing some of the highest prices in the commercial cattle sector that most of us can ever remember. Our bull customers are selling their calves for more dollars than ever and have consequently been willing to invest more in their herd sires than ever before. This translates into a higher value for the good females that can produce these sought after commercial bulls. The Southern Showcase Sale Group is committed as always to offer you a set of females that can produce these bulls as well as produce females to add back to your program. History has proven that these reputation cattle are the money making kind. Take advantage of these good times to add cow power to your program!

Again this year, the Southern Showcase Sale will be held at the Select Cattle Enterprises Sale Facility near Rome, Georgia. This facility will allow consignors to display their offering in large, grassy, well shaded runs for a greater ease of viewing prior to the sale. For precise directions please see the map and written directions on page 20 of this catalog.

If you have any questions about this offering, please don't hesitate to contact the sale manager, consignors or any member of the sale staff. If you need assistance evaluating the offering, selecting your purchases and/or representation on sale day, feel free to contact the sale manager, any of the sale consultants, or the auctioneer Col. Greg Clifton. As always, there will be no charge to you for this service and we will each do our best to insure your total satisfaction.

You are invited to view the cattle beginning Friday morning, August 19, 2011 at the sale site. The consignors and sale staff will be on hand and would very much like to visit with you about the offering. Then join us Saturday morning, August 20, 2011 at 8:00 a.m. for further viewing of the cattle. This will be followed by the **15th Annual Southern Showcase Sale** at 1:00 p.m.

Don't take my word about the quality you will find at this event. Come and see for yourself! You will not be disappointed. I look forward to seeing you.

Sincerely,

R. Bruce Van Meter

OWNER: Pigeon Mountain Simmental, LaFayette, GA

473W is every bit as good as the fantastic photo that Warren Garrett took for us. She is feminine and extended up through her front end, long sided, long hipped and deep bodied. 473W has two of the greatest cows the breed has ever known, SAFN Glamour and HF GFI Queen of Denial, close up in her pedigree. Explosive growth numbers and a power packed pedigree make for tons of potential in this female. AI bred 12/11/10 to SS Ebony's Grandmaster. Pasture exposed 1/17/11 to 8/17/11 to PMS Lookin Good 498X. Due 9/21/11 to SS Ebony's Grandmaster.

25 Right to Flush ANDJ Miss Blackbird UR92

Double Polled, Homozygous Black 1/2 Blood

3C MACHO M450 BZ
 ANDJ MISS BLACKBIRD UR92
 ANKONY BLACKBIRD 007H

OWNER: Poe Farms, Dallas, GA

We purchased UR92 as one of the high selling lots in the 2010 Southern Showcase. UR92 has continued to get better every day and has exceeded our high expectations. She has done a fantastic job with her second generation 1/2 blood calf sired by Rookie and has a near perfect udder. Here is an opportunity to sample our most cutting edge 1/2 blood genetics. Buyer will be responsible for embryo transfer fees, semen, freezing and shipping of embryos. Guaranteeing a minimum of 6 grade 1 embryos with no top.

ELLINGSON LEGACY M229 SS GOLDMINE L42
 MR NLC UPGRADE U8676 SS GOLDDILOCKS NO28
 MS NLC MOJO S6119 B GS MISS PERFECTOR K028

OWNER: Poe Farms, Dallas, GA

The dam of these embryos, SS Goldilocks is one whale of a cow. Super big middled, thick ended and big boned, she also has an exceptional amount of eye appeal and balance. Mr NLC Upgrade is certainly one of the hottest bulls in the Simmental breed at this time. Calves from this mating should be extremely attractive and powerful. The 78+ pound birth to yearling EPD will just be icing on the cake. THSF Freedom continues to amaze us with his ability to produce stout and attractive cattle every time. We believe these calves out of Goldilocks will be exceptional in every way. Guaranteeing 1 pregnancy from each of these matings if the work is done by an AETA certified embryologist. Guaranteeing a minimum of 3 pregnancies if both sets of embryos are purchased by the same buyer and the work is done by an AETA certified embryologist.

 3C CROCUS H112 B MD MS BLK DESTINY D26-2

OWNER: Rocky Hill Farms, Dawsonville, GA

We are proud to offer two fantastic genetic opportunities out of our featured donor, LLL Ms Destinys Child. A daughter of Destinys Child, RHF She's All That 902W was one of the high selling lots in the 2010 Southern Showcase. These 3C Macho embryos are full sibs to the She's All That female. This mating has never missed. The 1/2 blood embryos by BC Marathon should be real stingers. Marathon works great in the production of 1/2 bloods and Destinys Child never misses. **Guaranteeing a minimum of 2 pregnancies per embryo lot if the work is done by an AETA certified embryologist. Guaranteeing a minimum of 5 pregnancies if all 10 embryos are purchased by the same buyer.**

MR NLC UPGRADE U8676 ZEIS MS DRIVE N423
MS NLC MOJO S6119 B ZEIS MISS FORTUNE J79

OWNER: Select Cattle Enterprises, Rome, GA

Zeis Ms Drive, in my opinion, is one of the great black Simmental females walking the Earth today. She combines a stellar phenotype with a tremendous pedigree. Genetics from this female were some of the most sought after in the 2010 Pine Ridge Dispersal. The embryos by Mr NLC Upgrade, who is arguably the most sought after sire in today's industry, will produce cattle with eye appeal and tremendous substance. Not to mention the explosive EPD's. The embryos and pregnancy sired by Nichols Manifest represent another mating that I am truly excited about. Manifest looks destined to a place of prominence with our breed for years to come and I am very excited about his first calves. Whatever you choose from this offering, your opportunities are boundless. **Guaranteeing a minimum of 1 pregnancy if the work is done by an AETA certified embryologist. Guaranteeing a minimum of 3 pregnancies if all 6 embryos are purchased by the same buyer.**

NICHOLS LEGACY M72 SAC MR MT 73G
NICHOLS MANIFEST T79 LLL SARAH'S DELIGHT
NICHOLS MCM N13 LLL MS BIG COUNTRY K102

OWNER: Select Cattle Enterprises, Rome, GA

LLL Sarahs Delight, or N302 as we call her, has been one of the most consistent producing females in our donor pen. Time and time again she has produced purebred herd sire candidates and top end females.

The mating to the popular Nichols Manifest should again produce outstanding progeny and the EPD's are second to none. Manifest was the most widely used bulls in my program last year and I am certain that these embryos will make some awesome calves. Dream On is a mating that has consistently worked well with N302. Bred heifers have averaged over \$3,700. I know this mating will work because it has been done before. **Guaranteeing a minimum of 1 pregnancy if the work is done by an AETA certified embryologist. Guaranteeing a minimum of 3 pregnancies if all 6 embryos are purchased by the same buyer.**

OWNER: Select Cattle Enterprises, Rome, GA

Preferred Beef daughters are very hard to come by. W970 has the added benefit of being out of the mother of the syndicated Mr LLL Basie bull. Maternal 1/2 sibs to this female have proven to be excellent brood cows. The pedigree and predictability alone will amount to more value than this heifer will bring. Full sisters sell as lot 51 and 52. AI bred 1/10/11 to Nichols Manifest T79.

Pasture exposed 1/25/11 to 2/23/11 to ANDJ Mr Adrian W305. Due early to mid-November to ANDJ Mr Adrian W305.

LLL SARAH'S DELIGHT
LLL MS BIG COUNTRY K102

OWNER: Select Cattle Enterprises, Rome, GA

It's not very many sale offerings you can look through and find 5 Preferred Beef ET daughters in a row in the catalog. I am offering a top set of females here which I am sure you will take note of on sale day. Out of my consistently good producing donor, N302, W977 is a soft middle, moderate, well balanced, easy fleshing brood cow deluxe. The real cowboys won't have any trouble finding this one. Full sister to lot 54. AI bred 12/14/10 to THSF Freedom 300N. Pasture exposed 1/25/11 to 2/23/11 to ANDJ Mr Adrian W305. Due 9/24/11 to THSF Freedom 300N.
