FINALLY!!! A Bull With Huge Numbers with the Look and Performance To Back Them Up!

Baldrige Conductor C778 is the \$28,000 bull from the prestigious Baldrige Bros. Angus Farm in Nebraska. In the words of Jud Baldrige, "C778 is the best Waylon son ever raised on my place."

Conductor's Sire is the famous Baldrige Waylon W34. His semen is no longer in production and sells for \$200 if you can find it. C778 is soon to take his place.

Conductor's Dam, Baldrige Forever Lady T269 has produced big time bulls currently in major stud companies, but Conductor is the obvious standout. You will not want to pass this guy up.
